Lying adjacent to Bellandur, Bhoganahalli has been witnessing tremendous developments and steady growth over the years. The newly proposed roads, that are part of the Comprehensive Development Plan (CDP), will further improve connectivity from Panathur and its surrounding areas to ORR, Bellandur, Varthur, Whitefield, and Sarjapur. The upcoming Metro will further enhance Bhoganahalli's connectivity quotient. In the last 10 years, the area has witnessed a staggering residential price appreciation of 160%.
